Quarterly Report - April, 2005

Upcoming events:

June 4, 2005 – planning is underway to hold the first annual Green Bay Asthma Walk at UWGB sponsored by the Green Bay Asthma Coalition and the American Lung Association. Start times to be determined. If you would like to be part of the WSRC team of walkers or to volunteer your time at this event, please contact Katherine.schlitz@nwtc.edu

Kettering CRT/RRT Review

NWTC sponsored a CRT/RRT review on April 13-16 with 22 therapists and students attending. The attendees really enjoyed the sessions and appreciated the information on the new matrix and how it may apply to the new tests.

NBRC Continuing Competency Program

NBRC Testing Center in Green Bay Now OPEN

When you sign up for NBRC exams, you have a choice now at the H&R Block on Military Ave. in Green Bay. Take advantage of the Easy Access from Hwy. 41. Exit Mason Street, go east to next major intersection (Military and Mason).

What's Happening in District 3

Green Bay Area Asthma Coalition

April 12, 2005 – The ALA held Asthma facilitator training at NWTC including the following programs: Counting on You, a program for DayCare providers, Asthma 101 a program for schools, and Exercise and Asthma for coaches, physical education teachers and athletic trainers. The 16 who attended included Respiratory Therapists, nurses and a physician. Training will support efforts of the coalition to provide training for individuals who care for children in schools, Day Care centers and sporting events in the greater Green Bay Area.
